STRENGTHS	<p>PERSONAL DEVELOPMENT, BEHAVIOUR AND WELFARE</p> <p>School's current judgement: GOOD- with outstanding features</p>
	<ul style="list-style-type: none"> Standards of pupil behaviour reflect the school's efforts to promote high quality outcomes for all. Incidences of low-level disruption are dealt with to achieve positive outcomes (learning behaviours/ Good to be Green feedback/ introduction of Great to be Gold). Children with behavioural needs are identified and supported to progress (SEMH/ SEN records). Staff and pupils deal effectively with the very rare instances of bullying behaviour and/or use of derogatory or aggressive language (see records). The school actively looks to promote and support pupils' confidence, wellbeing, personal development and welfare. Pupils understand how to keep themselves and others safe in different situations and settings. They trust school staff and can make informed decisions (pupil feedback). Pupils can explain how to keep themselves healthy and have an understanding of healthy relationships. School input helps them to be confident in staying safe from abuse. Pupils' have positive attitudes to their learning and show respect to the ideas and views of others. They take pride in their work and are proud of their school (books, displays, feedback). Pupils respond positively to the expectation that they are ready to learn and understand the positive benefits of this approach. Attendance and punctuality rates are supportive to pupil's engaging with and progressing across the curriculum. Individual interventions are identified and targeted towards improved outcomes. The school has a positive and purposeful feel. Pupils are respectful to staff instructions and interventions. Teachers and other adults promote clear messages about the impact of prejudiced behaviour on pupils' well-being. We work with pupils and families to address any occurrences of bullying. A clear and comprehensive transition programme is in place to support all pupils at transition points. Pupils' spiritual, moral, social and cultural development is supported to encourage them to be reflective about their actions as good citizens in our community (British Values Week).
AREAS FOR DEVELOPMENT- to maintain good and to work towards outstanding	<ul style="list-style-type: none"> Consolidate and enhance practice that is supportive to staff and pupil wellbeing. Continue to provide resources to further enhance positive pupil use of the playground at lunchtimes. <p>AREAS FOR DEVELOPMENT- to maintain good and to work towards outstanding</p>	<ul style="list-style-type: none"> • Continue to develop assessment procedures that efficiently inform next steps to improve outcomes. • Use feedback from our school self-review schedule to ensure appropriately differentiated quality first teaching is supported by targeted interventions in order for the children to be motivated and progress. • Continue to build on existing links with CIS to ensure a progressive, broad & balanced 7-year curriculum. • Monitor the development of our newly enhanced SRP. • Ensure effective use of our new library.
<p>STRENGTHS</p>	<p>OUTCOMES FOR CHILDREN School's current judgement: GOOD</p> <ul style="list-style-type: none"> • The attainment of most groups of pupils is at least in line with national averages- if below, we are working to secure improvements (see FFT- higher performing groups/ Outcomes for Governors Report for further detail). • Pupils from different starting points and across all year groups are making good progress- where this is not the case, action is being taken. • The progress of disadvantaged pupils and pupils who have special educational needs and/or disabilities is improving. • Pupils can articulate their knowledge and understanding and hold engaging conversations with peers and adults. • Pupils read widely and to a high standard, with fluency and comprehension appropriate to their age (FFT/ year group data). • Pupils are well prepared for the next stage of their education through a coherent transition programme (transition feedback).

AREAS FOR DEVELOPMENT- to maintain good and to work towards outstanding	<ul style="list-style-type: none"> Continue to maintain high end of KS2 attainment that is in advance of national averages and at least in line with FFT 20 estimates. Work towards ensuring progress for all pupils is at least expected (3 points per year- 12 points across the key stage) from their starting points. Use our involvement in an NCTEM Maths Mastery project to inform our commitment to supporting achievement in maths. Narrow gaps for PPG/ SEN/ SEMH/EAL pupils against national averages- with an increased percentage of children making at least expected progress (3 points per year). Ensure KS1-2 transition is fully supportive to positive outcomes for pupils.
