Carlisle Infant School Development Plan 2021-2022

Overarching Aim: To develop an understanding and respect of the diversity within our school community to prepare our children to be good global citizens who make a difference to the diverse society in which we live.

Key Priorities for 2021-2022

To develop an understanding and respect of diverse race within our school community

Why was this chosen as a priority?

- Increased national and international focus on racism and representation of diverse ethnic heritage
- Celebrating and representing the diversity which makes up our school community
- Our staff/governing body reflects limited racial diversity as role models for our pupils.
- Staff share insecurities around discussions about race/racism and the appropriate language to use around diverse ethnic heritage
- Carlisle community voice suggests that we should further develop positive views about racial diversity and self-identities
- Need to diversify the significant individuals/texts studied and made available in our school

What will success look like by the end of this year?

- By the end of year 2, children will know what racism is, understand why skin colour difference exists and be aware of the need to be little allies to each other.
- Increased understanding and awareness of race by participating members of the Carlisle community
- Increased positive self-identities
- Diverse mix of texts and individuals studied in our curriculum
- Staff have an improved understanding of positive language to discuss race, racism and diverse ethnic heritage with the children in their classrooms

What is our intent?	How will we implement it?	When will it happen and who will it be completed by?	What will the impact be/Success criteria?	Cost	How and when will this be monitored?	Actual Impact

To develop an understanding and respect of the diverse families within our school community

Why was this chosen as a priority?

- The families in our community are diversifying
- Children’s lives need to be reflected in our curriculum/ethos
- Carlisle community voice suggests that we should further develop positive views about the diversity that reflects our families and self-identities
- Jigsaw PSHE curriculum highlights diverse families

What will success look like by the end of this year?

- Children and community have a broader view of the families in our community and wider and can describe these set ups
- Children join in celebrating festivals and celebrations from a range of faiths within our community
- Texts and significant figures studied in our curriculum refer to families that reflect our community and wider
- Parents feel more empowered to have discussions with their children about the varied families in our community
- Staff have an improved understanding of positive language to discuss the different make up of families with the children in their classrooms

What is our intent?	How will we implement it?	When will it happen and who will it be completed by?	What will the impact be/Success criteria?	Cost	How and when will this be monitored?	Actual Impact

To continue to develop the wellbeing of children, families and staff to ensure effective outcomes for children

Why was this chosen as a priority?

- Impact of COVID19 – increased anxiety and difficulties with self-regulating emotions and concerns relating to anxiety and wellbeing from families
- Staff have worked through pandemic and made many changes to their practice in a time of high anxiety, support needed as school starts to operate under more normal conditions to ensure wellbeing is supported
- Cohort of children in our school/wider range of needs including those with complex needs
- New staff teams – CPD needed to support new roles
- To develop positive language used by the community to interact with and discuss learning needs, emotions and disabilities

What will success look like by the end of this year?

- All children are better equipped with tools to support self-regulation and self-esteem
- Children with learning needs or disabilities will have developed positive self-identities
- Increased awareness of peers with needs within their class and across the school and how to support them
- Staff have an improved understanding of positive language to interact with and discuss learning needs and disabilities and are confident in using a range of access strategies to develop pupil's independence

To ensure gaps in reading and phonics are closed to support our aim for every child to leave Carlisle as a reader.

Why was this chosen as a priority?

- Impact of COVID19 – has led to gaps in phonics and has had an impact on children’s reading skills and access to books
- Reading data from the best endeavours EYFSP, phonics tracking and the end of year attainment data for reading has highlighted gaps in children’s learning
- Some parents have found supporting children’s learning in phonics a challenge.
- New reading framework July 2021 and reading audit has highlighted areas for development in staff training and in provision of decodable books

What will success look like by the end of this year?

- Children identified with gaps in phonic knowledge are supported by a mixture of quality first teaching and intervention support as outlined in the Recovery Premium Plan
- Parents have been supported in reading with and to their children with reading at home
- Staff have received training to support with phonics and reading interventions
- Children identified as needing extra support for reading are closely tracked to ensure gaps are closed as quickly as possible

What is our intent?	How will we implement it?	When will it happen and who will it be completed by?	What will the impact be/Success criteria?	Cost	How and when will this be monitored?	Actual Impact
